Founded in 2001. Active in distribution since 2015. Our Canadian network includes 200+ dealers and 70+ service centres. Start a conversation about the brands, products and support that fit your business.

Our brand portfolio

Owned brands: Evoque, Avantis and Ravora.
Exclusive Canadian distribution: Altis, Rerode and FS.
Brand access, product availability and territory are reviewed with each applicant.

What we review

Your business location, sales channels, current product range and brand interests.
Your showroom or online retail presence, customer service and technical capabilities.
The commercial fit, ordering needs and after-sales responsibilities for your business.
These are discussion points, not a guarantee of dealer approval or exclusivity.

2. Include current photos of your storefront, signage and showroom, where applicable.
